Unique Management continues to provide significant value and returns many items to the library. Youth and adult outreach programs and other efforts continued and are increasing library resource access. Staff attended the Community Open House at the Senior Center. The Silent Book Club continues to meet monthly at Velodrome. The library is receiving a \$10,000 gift from the Carnegie Corporation.

- Book bills: Book invoices were reviewed and signed by the library board.
- Friends of the Library: Association of Friends of the Ishpeming Carnegie Public Library (FOL) met in November with their next meeting in March 2026. The FOL will be holding a book sale on December 5 and 6 and books are being accepted for the sale.

- Policy manual review, revision and updating is ongoing. No update this month.

- Tousignant donation: The library director met with the Community Foundation of Marquette County regarding the Tousignant donation. A presentation or attendance from the Community Foundation can be arranged. Building upkeep is viewed as a City responsibility and is not part of the endowment intent. A list of potential projects (enhance and enrich: table lights, e readers, more computers for patrons, picture rail, chairs with chargers, reading pod) is still being developed and should prioritize in 2026. Annual distributions no later than 2028.
- The Children's room redesign (FOL will cover up to \$15,000 for the renovation plan). No update this month.
- Capital Improvement items submitted for consideration to the City: No update this month
 1. Heating system replacement – full replacement bid to allow Children's room renovations to proceed. (One bid with two options received: Keep as steam heat but replace pipes and radiators for approximately \$200,000 or switch to a hot water heat radiator system for \$500,000.)
 2. Front steps/pillar deterioration repair
 3. Children's room redesign and renovation.
 4. Computer replacement – budget annual capital replacement at 3 per year.
 5. Glass floor repairs.
 6. Tile floor repairs and carpeting replacement.
 7. Roof replacement fund allocation in preparation for full replacement in 2034 to 2039. The repairs completed in 2024 should provide 10-15 more years of service.

- Carnegie Corporation \$10,000 gift options that are under discussion include front entrance steps and pillar repair or heating system replacement. The current scanner is not very functional and a new one would be helpful to the public and staff. A 3D printer could be an option also.
- A motion was made by Elyse Bertucci and seconded by Brooke Routhier to draft a letter of support from the Library board for the Pizza Hut Foundation Slice of Literacy Grant application. Motion passed.

Library Repairs

The replacement of the current steam heating system with a hot water system was approved at the regular December meeting of the City Council. We are waiting for Prime to reach out to outline and schedule the project.

Better World Books

With the closure of book vendor Baker & Taylor their discard program through Sustainable Shelves also ended. We have renewed our agreement with Better World Books as a replacement for Sustainable Shelves. The program works very similarly, except any revenue received will be sent via check rather than credit with a specific vendor. We will be sending our first batch to BWB after the books are declared surplus at the 1/21 Council meeting.
